HAVTE-CONTRE

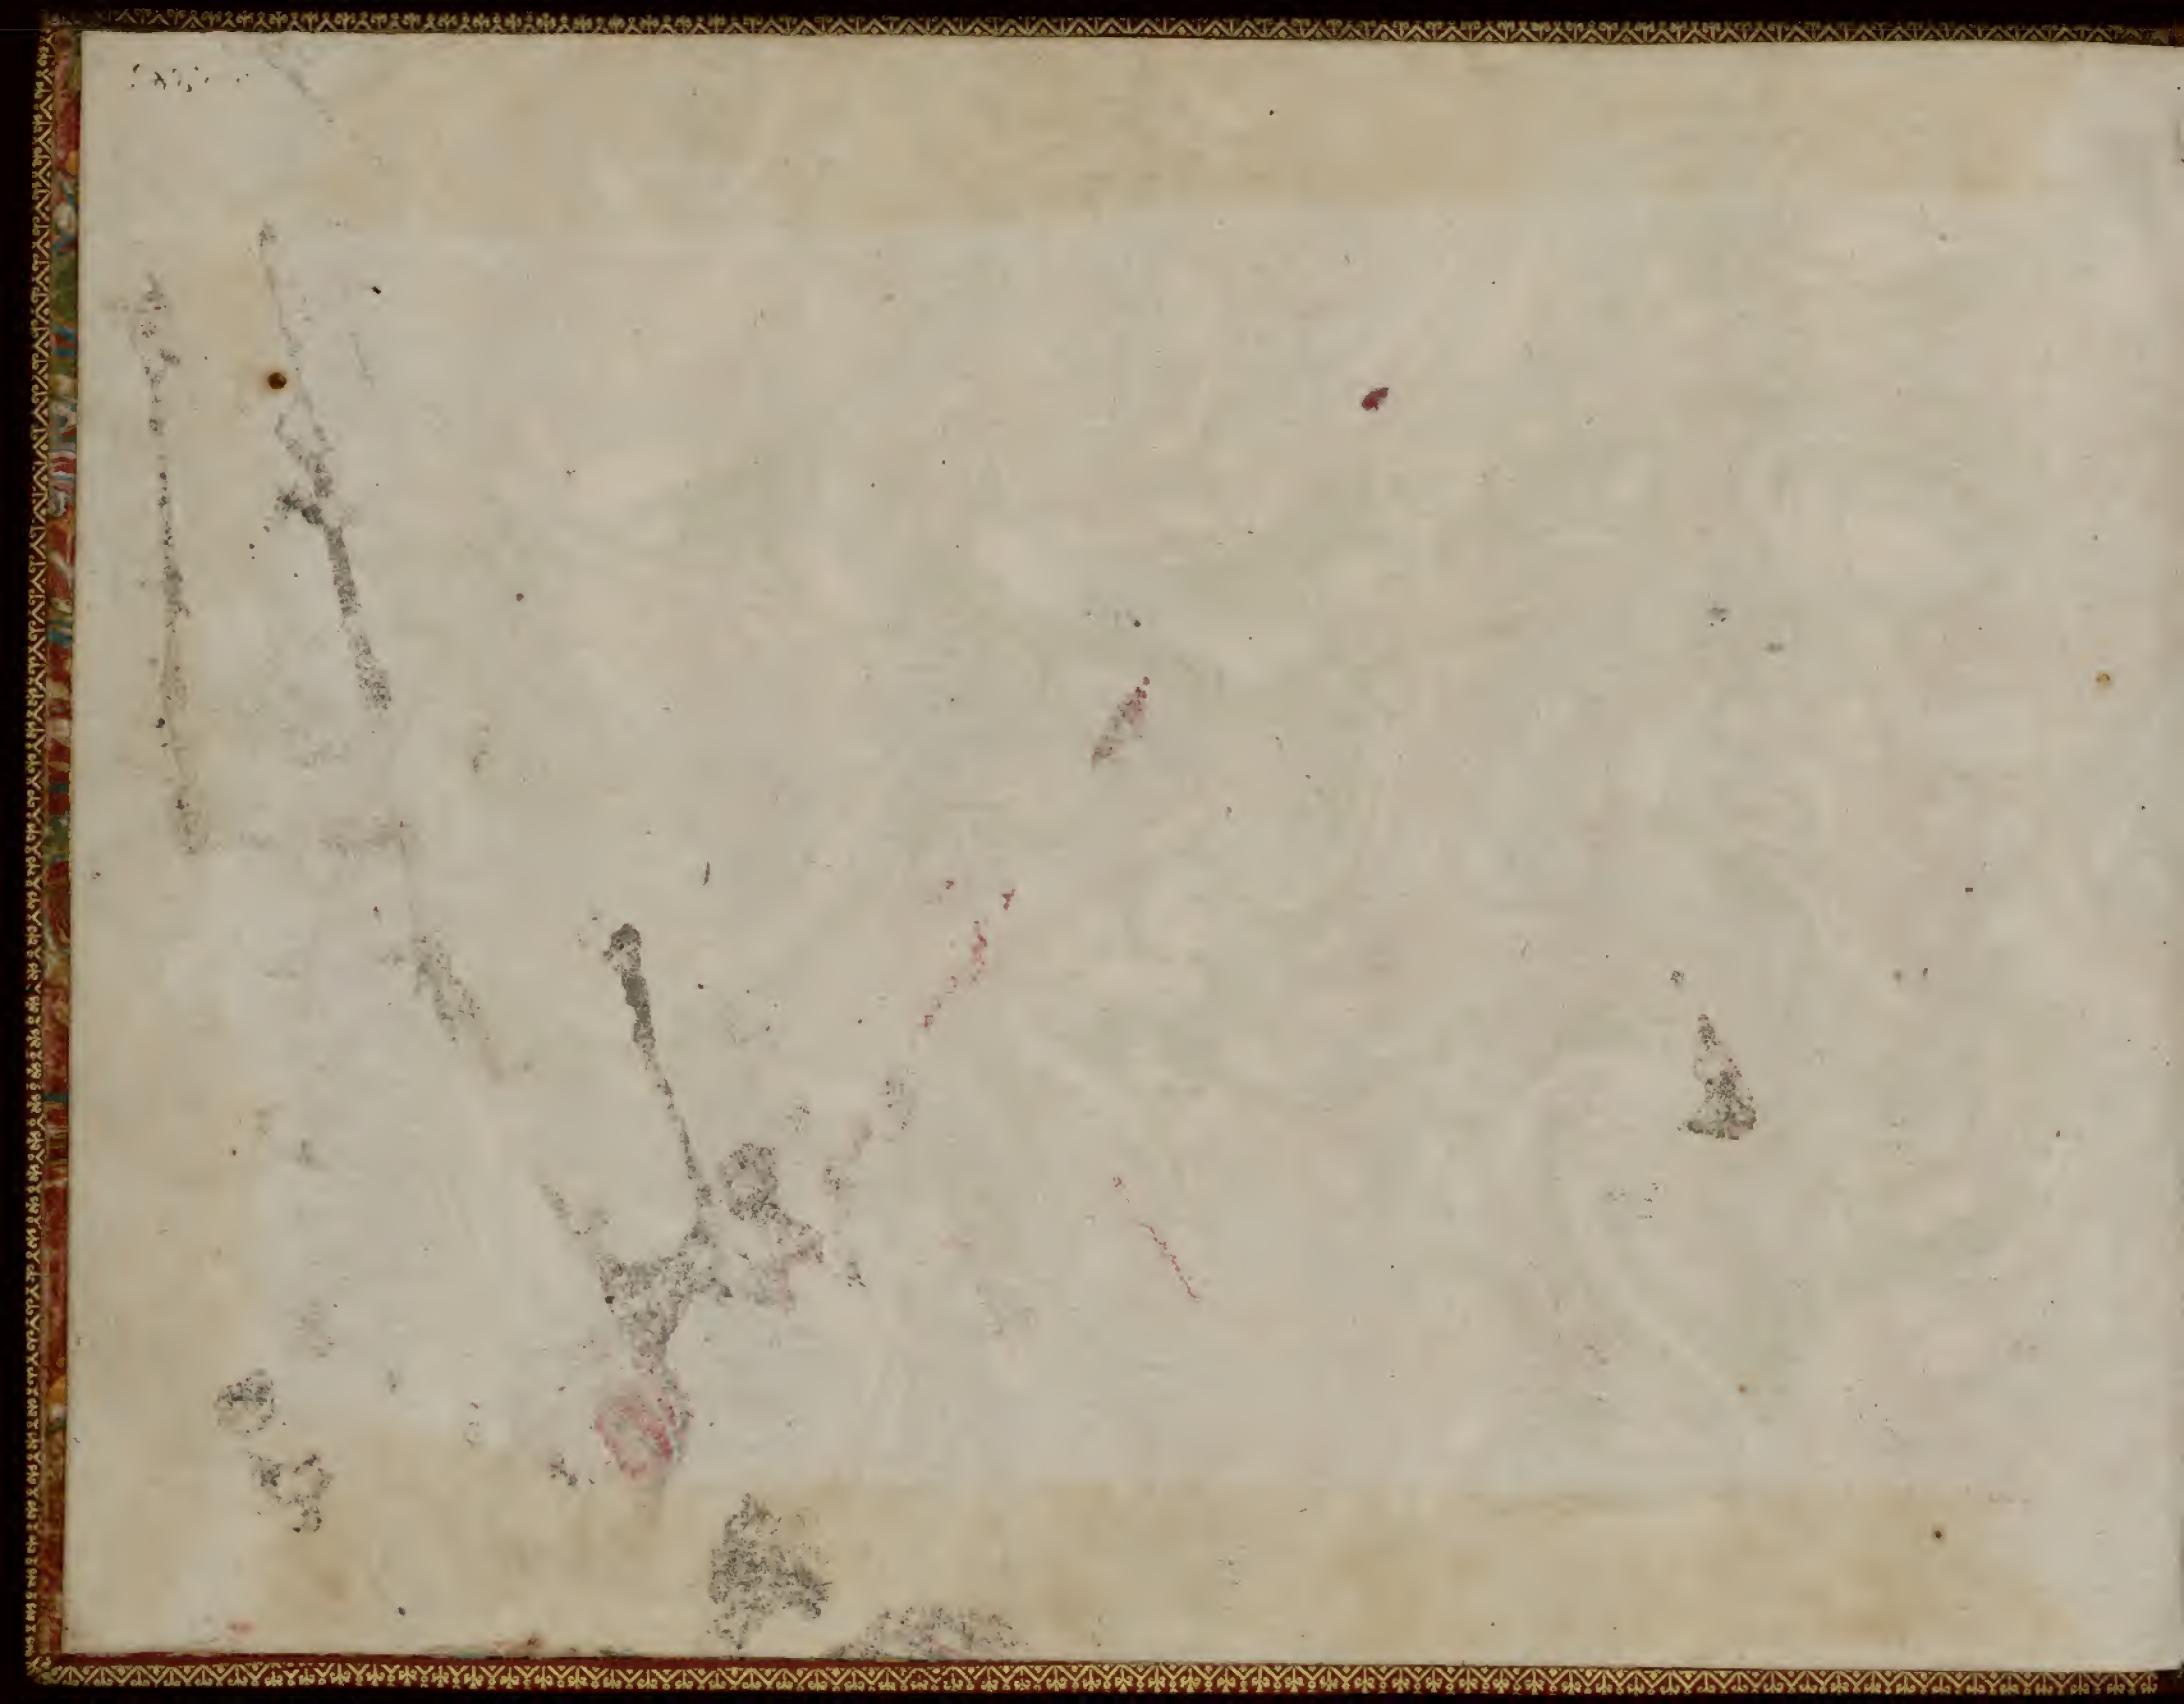

The image shows the front cover of an old book. The cover is decorated with a complex marbled paper pattern. The colors used in the marbling are primarily deep red, forest green, and a pale cream or off-white. Swirled into these are streaks of a vibrant blue and patches of a golden-yellow or ochre color. The pattern is organic and fluid, typical of traditional hand-marbled paper. A small, rectangular, cream-colored paper label is pasted onto the upper right portion of the cover. The label is bordered by a thin black line and contains Latin text in a black, serif typeface. The text is arranged in five lines, providing information about the book's provenance from a library and its donor.
